Please reply to Carmen Gamm via text to 573.470.3603 or email Carmen@Options573.com.

Feel free to share this form with the women of your church, friends, and neighbors!

We hope to make this an annual event and welcome improvement ideas and volunteers for next year. If you are interested in helping or have Christian suggestions, please send them to Carmen as well.

In a time when the enemy seems to be running wild, we strive to bring The Light to those around us. Statistically there are over 800,000 abortions performed each year in the United States. Many young women are coerced into having an abortion by a partner or parent or other. We want to provide opportunities, resources and ultimately the Hope these women need to carry their babies to term. We work with them to provide solutions to the obstacles or pressures around them.

Please be in prayer for the community, the center, and the fundraising event.

Our Mission is to confidentially aid those facing abortion and parenting decisions in Northeastern Missouri and surrounding area. We will accomplish this through complimentary clinical, material, educational, emotional, and spiritual support required to make Christ-centered lifestyle choices.

**Please send registration to: Options for Women, 1420 Business Hwy 61 South, Suite B,
Bowling Green MO 63334**
